

## DEMOLITION DELAY PETITION

A Petition of Thomasville Landmarks, Inc.

to the CITY COUNCIL  
of Thomasville, Georgia

We, the undersigned, call on the Thomasville City Council to pass a DEMOLITION DELAY ORDINANCE to help protect Thomasville's old and historic structures, which contribute to the quality of life and economic development of the community.

We ask that an ordinance be passed to ensure that no demolition permit shall be issued for any structure with any part older than 45 years until after a 90-day period, from the time of application has passed, during which time alternatives to demolition should be pursued.
